We are a community group of Sutton Coldfield residents who want to see our public libraries not just survive, but thrive at the heart of our community. FOLIO Sutton Coldfield has recently installed a play café, Little Green Bookworm into Sutton Coldfield library.

Little Green Bookworm brings rental income to the library (helping to keep it open), and aims to increase library use, particularly among families with young children as well as providing a space to host events for the benefit of the library and the whole community.
